April 12, 2016

Dear Judges,

Thank you for volunteering your time to judge today. Your support and time is much appreciated and will have an impact on the lives of the students you meet today. Please allow us to assist any way we can throughout the day. We greatly appreciate your service.

Enclosed in your packet you will find many items. Please take a few minutes to look over each item and ask any questions ahead of time. We will need the judging to take place in a timely fashion in order to get through all events that are scheduled. Most events should not last over 10 minutes per student, with the exception of just a few. You will find a master schedule enclosed to help you stay on time with your event(s).

Also enclosed are the rubrics for each child in the event(s) you will be judging. If you happen to be missing a rubric or are in need of a new one, please let us know. Along with the rubric you will find a Block Ranking System with directions and an example. This is an easy way for you to keep track of the placement of students throughout the event(s) you are judging. This will also help us with a quick turnaround for the awards ceremony.

Lastly, you will find a survey. Your input on the survey is so important in helping us learn from this year and make next year even better. We know that with this being our third year of Job Olympics we can expect to make some changes for next year, but with your help we will know how to better prepare for the years to come.

Again, thank you so much for your time, patience, and support in our Third Annual Job Olympics. You are appreciated.

Educationally yours,

Kim Jackson  
Transition Coordinator  
Process Coordinator
